

The Wharf and its Customers supporting the community 2021-22

Together we want to help Good Causes in the Teddington and surrounding area during these tough times. In the month of May, and every month this year, we will be adding a discretionary* £1 to every bill. We are inviting our guests to support local good causes in Teddington, which have struggled during the pandemic.

This month the cause is Hearts of Teddlothian FC, and for every £1 paid on top of your bill*, The Wharf will match with £1. We will then add up all the money and purchase as many tickets for our not-for-profit community lottery **Get Lucky Local** at the end of each month. 60p of every £1 goes to good causes.

Net proceeds from the tickets as well as any prizes that are won, which could be up to £25,000, will go to the chosen Good Cause each month. All details will be published on the good cause website and on the Wharf's website at www.wharfteddington.com.

If you would like to support good causes in Teddington on a weekly basis then please visit www.GetLuckyLocal.co.uk to find out more.

**please ask a member of staff to remove this extra £1 from your bill if you do not wish to support this initiative.*

Founded in Teddington in 2007, Hearts provides a much loved and valued service for the local community. The ethos as a football club is being fully open and inclusive to our 750 children (boys and girls) from 5-18 years old. We need your help in order that we can continue to offer football for all abilities and even expand our service!

Thank you personally and to The Wharf for your support.

Mr Jatish Mistry, Chairman, Hearts FC.
