

The Wharf and its Customers supporting the community 2021-22

Together we want to help Good Causes in the Teddington and surrounding area during these tough times. In the month of September, and very month this year, we will be adding a discretionary* £1 to every bill.

We are inviting our guests to support local good causes in Teddington, which have struggled during the pandemic.

This month the cause is **The Victoria Foundation**, and for every £1 paid on top of your bill*, the Wharf will match with £1. We will then add up all the money and purchase as many tickets for our not-for-profit community lottery **Get Lucky Local** at the end of each month. 60p of every £1 goes to good causes.

Net proceeds from the tickets as well as any prizes that are won, which could be up to £25,000, will go to the chosen Good Cause each month. All details will be published on the good cause website and on the Wharf's website at www.wharfteddington.com.

If you would like to support good causes in Teddington on a weekly basis then please visit www.GetLuckyLocal.co.uk to find out more.

**please ask a member of staff to remove this extra £1 from your bill if you do not wish to support this initiative.*

The Victoria Foundation, a registered charity based in Richmond, funds buggies and wheelchairs for disabled youngsters which help them gain independence, accessible minibuses used by community groups which help keep the elderly connected, and specialist medical equipment and assistance including sponsorship of Teddington Cricket Club's Defibrillator and First Aid Boxes for the 2021 Season.

We need to raise funds to keep on supporting individuals, families, and organisations in great need in Teddington and across the boroughs of Richmond and Kingston. We need to raise funds to continue to provide vital life enhancing medical equipment and support to those in great need in the local community.

With many thanks to you and The Wharf for supporting us.

Lorna Votier, TVF
